BENEFITS

With CEIS, we make it simple and affordable to reach thousands of potential customers with your message in a single day.

LED technology allows for creative and flexible strategies to maximize reach, branding and thus increasing revenues.

LED signs give you the ability to target a large, critical audience of potential customers for far less than a traditional advertising campaign would cost.

Healthcare: Display current wait times, create themed ads that run in rotation showcasing different practices throughout your healthcare organization by running as many art pieces you desire.

¾ of Americans rely on billboards to find businesses while they are traveling.

Outdoor advertising can never be switched, turned off, or ignored. Get your message out 24/7
